Ring! Ring! Dr Miaow is such a busy cat with so many patients to look after at the Kiss-it-Better Hospital! Woof drives Dr Miaow in the ambulance through Whoops-a-Daisy town to attend Tom Cat who has fallen out of a tree whilst chasing a bird. Stretcher case! Nee-nar, nee-nar! The x-ray shows a very bad break, so Tom's leg is plastered, whilst Dr Miaow tells him off for chasing that bird. The lively illustrations are full of little jokes and surprises. A perfect book for the child who has an imminent appointment, or is about to visit someone in hospital.
