Like **The Nativity Play**, **Lucy and Tom's Christmas** is very much of today but with all the warmth and traditional patterns of the ideal family Christmas. There's a lot of love and friendship in Shirley Hughes' beautifully observed pictures which exactly capture the way people are. Look at the superb sequence of drawings of the baby more interested in the wrapping paper than the present, or at Tom, leaning back secure and calm again between Grandpa's legs; the two lovingly entwined figures in Shirley Hughes' drawing express far more than words.
