0

An Australian teenager runs away from home after a family dispute, and is taken in by a group of young people who seem, on first acquaintance, to be leading a life of idyllic self-sufficiency. Don is welcomed, but finds that all is not as it seems; he becomes aware of tensions in the small community, and learns that gullibility and idealism can be exploited. Unsensationally told, and the stronger for that, **The Message** is compellingly original.
