The ten stories here cover dragons, goblins, ghosts, trows, etc. in an imaginative and vivid way, using a wide variety of styles and locations, which serve to keep the pages turning. I was particularly struck by the scarecrows who invade and take over a village that tried to repel tourists and the tale of the Warrior Wizards in the Chilterns, especially the victor's revenge. Children who enjoy rich, evocative language will be well served here; some of Kilworth's lists, as in 'The Goblin Jag', are magnificent.
