Frivolity, fantasy and fun, Babette Cole style, feature in this tale of Winni and her passion for ponies. Winni's parents refuse to buy her a pony but insist she gives up eating hamburgers and chips and switches to vegetables. This change in diet turns Winni into not just a pony but a racehorse - and a winning one at that! Both the crazy storyline and zany illustrations make this a book which will appeal to older readers, especially the less confident.
